This training should include: <ul style="list-style-type: none"> individual and collective obligations and responsibilities for implementing the Child Safe Standards and managing the risk of child abuse child safety and wellbeing risks in the school the child safety policies, procedures and practices of the school. 			
Child Safe Standard 9 – Physical and online environments						
<p>Risk Title: School physical environment</p> <p>Description: There is a risk the school's child safety policies, procedures and practices do not adequately address and manage the risk of abuse and harm in the school's physical environment</p> <p>Risk type: Situational</p>	<ul style="list-style-type: none"> Areas of child safety risk in the school buildings or grounds are not identified and appropriately supervised or managed. 	<ul style="list-style-type: none"> There is an increased risk of child abuse occurring on school grounds or buildings if policies, procedures and practices fail to identify and manage areas of risk in the school's physical environment Physical and psychological harm as a result of child abuse 	<ul style="list-style-type: none"> Yard Duty and Supervision Policy outlines supervision processes and requirements with a focus on child safety Yard duty staff are trained to actively patrol the school grounds, paying particular attention to secluded areas that have been identified as high risk including the back of the oval and toilet areas. Child safety and wellbeing policies, procedures and practices are in place to enable staff and volunteers to identify and mitigate risks in the physical school environment without compromising a child or student's right to privacy, access to information, social connections and learning opportunities, including our Child Safety and Wellbeing Policy and Child Safety Code of Conduct A staggered introduction to Foundation students using the full site has been introduced when necessary. Gates have been installed to limit the play areas of younger children. Playgrounds and toilets are allocated to year levels to prevent any problems between the younger children and the older senior students. Teachers and aides are allocated areas and/or specific students to supervise whilst in the yard on duty. Learning communities, the stadium and garden sheds and store cupboards are locked unless in use, with controlled access to keys students are required to go to the bathroom with another student during class time toilets and changing rooms are located in a central area of the school and the entrance and exit has good visibility from other areas of the school. toilets for the junior students face the Central Plaza and can be locked from the inside when students are in their learning spaces. Child safety and wellbeing policies, procedures and practices enable school staff and volunteers to identify and mitigate risks without compromising a student's right to privacy, access to information, social connections and learning opportunities. A policy for on online conduct and online safety is embedded in the Digital Technology policy Procurement policies for facilities and services from third parties ensure the safety of students. This includes student safety around the additional visitors to Bridgewood for Maternal and child Health nurses, kindergarten, adult conversation classes, Women's Fridaship classes, playgroups and after hours student activities.
